

Dear Friends,

There has been a consistent calling from members to include Socio-Cultural activities as part of the programs of the association and to encourage the participation of the families and the younger generation.

To kick-start this process, it has been decided to conduct a 'QUIZ COMPETITION' on Saturday, the 2nd December 2017, followed by lunch. The occasion provides an excellent opportunity for the families to get to know each other and promote fellowship among the fraternity.

ABC'75, the 1975 batch of Agri graduates are organising a Quiz that will be very interesting and fun for the entire family! Questions include General Knowledge and Current Affairs, Sports and scientific teasers, exclusive rounds on 'Karnataka-Our Heritage and Culture', Agriculture, Horticulture and Animal Husbandry...and one on 'Sandalwood'-our very own Film industry!

Members who wish to participate are requested to contact N. Jayaram (98455 18376:jayaramn22@gmail.com). Alumni families are most welcome to participate. There are prizes to be won by all teams and by the audience too! So, hurry up.

Please do participate along with your family, children and grandchildren either in a team or as an enthusiastic audience!

Your encouragement is vital to this maiden effort.

With warm regards,

Dr B Krishnamurthy

H P Mohan

T.P. Vasanth

Secretary UAS Alumni Assn.

President ABC'75
